Product Description

Argo XTV Frontier 700 6x6

A NEW BEGINNING. A NEW EXPERIENCE.

The Frontier 700 6x6 amphibious vehicle might be the starting point for the XTV lineup, but everything about this machine is anchored in the bedrock of ARGO innovation and quality. All of our 6x6 XTVs deliver the same dependable power and reliability as their bigger siblings to maximize your ability in the woods, water and mud.

The ARGO Classic transmission with ARGO Progressive Steering (APS) and Instant Torque Clutch (ITC) provide smooth handling so both new and seasoned outdoor enthusiasts can enjoy the unmatched ability to go anywhere. Yes, the 2024 Frontier 700 6x6 is a new beginning for you. It will be love at first ride.
