Product Description

Argo XTV Conquest 950 Outfitter

COMING TO GETCHA.

When you're out on the hunt, it can sometimes feel like that pelt-wearing prey is toying with you, taunting from just beyond where you are. Thanks to the Conquest Outfitter, "beyond" now feels like it's delivered right to your doorstep.

With a dependable VX 950 V-Twin EFI fan-cooled engine and the smooth Instant Torque Clutch (ITC), those out-of-reach spots, including high altitudes, are now your playground. Camp operators, lodge owners and big-game guides will also find much to like here, as these pack mules are eager to shoulder the big loads. Bring some bigger straps, it's going to be a big year.
